We grant permission for our school/group, _____ (name of school or group) to facilitate weekly Girl Talk meetings. Girl Talk meets once per week for an hour throughout the academic school year. We are aware that Girl Talk is a national 501(c)3 nonprofit organization that establishes positive weekly student-to-student mentoring programs for middle school girls, which are led by high school girls. This organization has more than 400 Chapters and it reaching over 30,000 girls each week. I agree that I will not hold a participant or Girl Talk liable for any accidental injuries that occur before or after school during the weekly meetings.
